# STUBBS™ THE ZOMBIE IN Rebel Without a Pulse™

Meet Edward "Stubbs" Stubblefield. During the Great Depression, he was a down-on-his-luck traveling salesman. Now it's 1959 and he's a zombie with an insatiable hunger for human brains. How could this happen?

The answer lies buried somewhere in Punchbowl, Pennsylvania, a high-tech City of the Future built by the world's richest man. Punchbowl is a paradise of hovercars and helper-robots, where crime and pollution simply don't exist. It's the perfect city: safe, clean and convenient. *Stubbs can't wait to move in...*

## EAT BRAINS:

Bring civilization to its knees as Stubbs the Zombie & show the retro-futuristic city of Punchbowl that they can't escape the past.

## POSSESS THE LIVING:

Machine gun, bazooka, sniper rifle, laser, use any weapon. Clamp your severed hand on the gunman's head & fire away.
